

Center for Talent Development

ACADEMIC ADVENTURE WITH LIFETIME IMPACT

Enrichment and credit-bearing courses for PreK through grade 12

Center for Talent Development (CTD) at Northwestern University is a leader in the fields of gifted education and talent development. We help schools implement programs and services to identify and nurture exceptional talent in young people using equitable, evidence-based, and cost-effective practices.

Limited financial aid and scholarships are available for qualified families.

For Students

- Assessments to identify academic ability and measure growth
- Enrichment courses for challenge and discovery
- High school honors and AP courses
- Leadership and service-learning programs

For Adults and Families

- Gifted Education Boot Camp and CTD Backpack online communities
- Talent development consulting services
- Educational webinars
